In a beautiful combined effort of inclusion, hard work, and friendship, the members of the Jewelry Club and the Humanitarians of Holicong have raised even more funds to donate to Doylestown's Next Step Program to help support those with intellectual and developmental needs!

Led by advisors Mrs. Brunner and Mrs. Keyes, students like Finely Harris and Charlotte Campagna have worked on sales of t-shirts, earrings, bracelets and more, for the better portion of the Spring to gather funds.

Just this week, members of the Jewelry Club gathered to meet TNS ambassador, Abby, and presented the check to go towards the VISION project that is slated to provide job and residential independence opportunities to our diverse friends.

We hope to do more even next year!
Thank you for your continued support with this awesome program!!
