

Week 14  
March 30

Congrats on a great run yesterday! Overall, you improved your score by more than 4 points and as a class, all the groups are within tenths of a point from each other! We still have a lot of work to do and roughly 12ish hours left of rehearsal time before your Champs performance!

Below is our newsletter for the week.

Students - your run from [Saturday's rehearsal is up on Canvas](#) with judges' feedback from your performance. Please take some time to listen and respond to the questions!

-----

### **Rehearsal this week:**

**Tuesday** (4/1) in East's aux gym from 6:45 - 9:00. Please help with unloading the trailer on your way in!

**Wednesday** (4/2) Family & Friends show at **WEST**. Report time - 6pm.

**Saturday** (4/5) in East's Main Gym from 10-2. \*\*This is a small change in end time from the calendar. With Champs around the corner and not having a second weeknight rehearsal, a bit more time is needed!

### **Family & Friends night @ West:**

Doors open for spectators @ 6:45 and the event wraps up around 8:30

- The indoor drumline has invited us to attend their event and it's a great way to bring our two groups together. Their flyer is attached - please share out! There will be raffle baskets, candy grams, and food for purchase!
- Report time will be 6pm in full uniform, hair, and make-up. If you would like to change at West, that's fine. Please meet in the aux gym! After arrival, we will unload the trailer and warm-up in the aux gym.
- As the event is wrapping up, once the trailer is loaded, you may leave.

### **Champs 4/12 @ Lehigh University**

It is confirmed that our class (Independent Regional A) will be performing between 8:42 and 9:10 with awards at 9:35. We should get more information later this week.

See you on Tuesday!
