

Week 8
February 16th

Here is our newsletter for this week:

Rehearsal this week:

Tuesday (2/18) in East's aux gym from 6:45 - 9:00.

Thursday (2/20) in South's cafeteria from 6:45 - 9:00. At rehearsal yesterday we talked about the incoming weather impacting this rehearsal. It doesn't sound like there's space at East if we were to bump this day up to Wednesday, so we'll be sticking with our normal Tues/Thurs.

****Friday** (2/21) at South from 6-8:30. We will be starting to prep for our event, do a walkthrough, unload the trailer, and then rehearse.

Saturday (2/22) Report time is 10:30 in the cafeteria. We'll be rehearsing (more like reviewing) until 12:15ish. More details will be sent out to students on your full schedule for the day. We have you escorting groups and helping at awards throughout the day!

Home Show this Saturday 2/22

We are still short on volunteers - at this point in time, we have roughly 43 slots still open out of the 82 we are looking for, or 52% unfilled. The indoor colorguard staff and home show committee need additional help as this isn't sustainable to run an event with 22 groups coming to the building. Please help out where you can. Signups are available for food donations if you're able to contribute. If you have already signed up for volunteering or donating - thank you!

[Indoor Colorguard Home Show Volunteer Sign-Up](#)

Times for each slot have been updated slightly with an overlap of an hour between the two shifts. This will allow for second shift to check in with us, be taken to their "job", be given instructions, and see how to run their "job" before first shift leaves.

For the volunteer orientation meeting on Thursday 2/20 (7:00 in CB South's band room), the weather may impact if school buildings are closed that evening. If they are, communication will be sent out via email.

Students - we are asking you to bring in a box of full-sized candy (think Hershey's, Reese's, Skittles, Sour Patch Kids, etc) and a case of soda or seltzer. See below for assigned drink flavors (if you haven't already gotten yours yet). You can bring these to any rehearsal leading up to home show (Camryn or Ellie will take them), Friday night or day of the show.

Week 8
February 16th

Last name:

A - B: Pepsi/Cola

C - F: Diet Coke/ Diet Pepsi

H - N: Sprite/Starry

P - Z: Flavored Seltzer

The competitive schedule can be found with the link below. An additional group may be getting added to the overall schedule, so our performance along with the CB indoor percussion performance time will be bumped back a few minutes.
