

Week 9
February 24

Good afternoon,

Congrats on a great weekend! A HUGE THANK YOU to all of our volunteers who helped with the event. Between planning, setup before and day of, bringing in donations, connecting with performers and spectators, managing the little fires (especially the ones Aaryn and I don't know about 😊), and all the clean-up - we truly could not have done it without you!

Volunteers - we'd love to get feedback from you to get a better picture of what worked well and what we need to work on in the future. If you could complete this survey, we'd greatly appreciate it!

Students - you did an awesome job managing your time, reaching out if you had questions, and performing in a packed gym! It was a very long week for you, and you handled yourself well! We'd also like to get feedback from you with the student perspective of the day. Thank you for completing this!

Return back to East TBD - Awards are right after our performance. If we leave right after awards/packing up the trailer, we could be back around 6ish. If we stay to watch some groups, we will be back after 6pm. We'll talk at Tuesday night's rehearsal!

We are looking for a few more chaperones to lend a hand at UM. Riding the bus is not necessary and it also allows you to get free admission to the show! Chaperone duties include transitioning students in and out of the performance area, helping students move equipment throughout the venue, helping with unloading/loading the trailer, and being a great cheerleader!

Thank you again for a great weekend! Reach out with any questions.
