We are considering a member of your activity for induction into the National Honor Society. For the purpose of examining their level of service and commitment, the student should have requested from you a letter confirming their position. Please use the checklist below to ensure this portion of the application includes all pertinent components. If the directions are not followed, the student's acceptance into National Honor Society is in jeopardy.

For clarification, community service activities serve the needs of the general community. The general community exists beyond family and school, and represents not-for-profit organizations. This service should be an ongoing, participatory activity in which no compensation has been given.
