

Gayman Home and School Association

FAMILY DUES

Welcome back to school! This year the Gayman Home and School Association (GHSA) has decided to continue with annual Family Dues to help supplement the cost of all the amazing experiences the Home and School Association helps bring to Gayman Elementary. All of these events and programs directly benefit our children.

Some of the experiences your children will have the ability to participate in, with the help of the GHSA are: Popsicles on the Playground, Fall Festival, Bingo, Dance, Library Technology, Author's Day, School Assemblies, Kindness Counts Club, and the End of Year Picnic.

We are suggesting \$30 per family as 2024-2025 annual dues.

If you have any questions, please contact Gayman Home and School Association at GHSAinquiries@gmail.com
