

Warwick Weekly

News & Updates from Mr. Finger & Mrs. Costantini

January 17, 2025

Hi Warwick Families,

It was a great week at Warwick! Students continued to work hard, show our four themes, and work on our monthly theme of inclusion and acceptance.

As mentioned previously, please keep in mind that the next snow day will be an FID (Flexible Instructional Day). Please touch base with your child's teacher if you have further questions regarding FID and materials. This was discussed at their Back to School Night presentation as well. More information is also below in district information.

One more piece to mention...we are in the process of creating indoor recess carts so students have some more activities and choices during indoor recess (winter can be long...). That being said, if you have any games, board games, LEGOS, etc. that you would like to donate please drop off to the front office for Mrs. Costantini. We will be putting these carts together in the coming week/weeks and the more activities the better!

Happy weekend and if you forgot...GO BIRDS!!!

Best,
Mr. Finger & Mrs. Costantini

Happenings at Warwick

Congratulations to all of our Power Paw Winners!

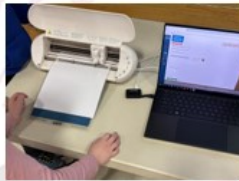

We had a FABulous time at Warwick Elementary School!

The Bucks IU Mobile Fab Lab blasted off with the students at Warwick Elementary School! The Gym was turned into a space where students could learn about digital fabrication.

Students in 2nd grade spent two days learning and exploring the program FabMaker Studio. They learned about resizing shapes, welding, and subtractive fabrication! They worked collaboratively with one another and designed bookmarks as a great activity to learn and create for their peers. Students used the Silhouette Machines to cut out their projects and were able to take them home!

A special thanks to the Central Bucks Team, the Warwick Elementary Team, and Mr. Sidelinker for helping us plan and deliver a successful residency! The students at Warwick Elementary had a blast with the Fab Lab and we can't wait to see what they will be able to do in the future!

New This Year: Limits on Due Dates for Homework and Summative Tasks Near Observances

In past years, the district has notified faculty in the week or weeks prior to religious or cultural observances to ensure they are cognizant of these events when assigning schoolwork. Winter Is Coming: A Reminder About Procedures in Case of School Schedule Change

With the official first day of winter on Dec. 21, CBSD families are reminded of district procedures should winter weather impact the school day schedule. You can find all related information on [this webpage](#). If school buildings need to close or operate on a modified schedule due to present or pending weather conditions or any other emergency, the district will endeavor to communicate the schedule change to families as soon as possible. Please note that this year, CBSD will be utilizing Flexible Instructional Days (FIDs) should school need to close after the first use of a traditional snow day. You can learn more about the procedures for FIDs [here](#).

Kindergarten Schedule for Two New Half-Days in June

As a result of adjustments to the 2024-25 school calendar that added two half-days to the end of the school year (June 11 and June 12), CBSD kindergartners who attend the AM session this school year will have their last day of school on Wednesday, June 11 in the AM and there will be no PM session. Kindergartners who attend the PM session will attend in the AM on Thursday, June 12 and their last day of school will be Friday, June 13 in the AM.

Create a Meal Payment Account for Your Student on MySchoolBucks

CBSD utilizes the online platform MySchoolBucks for school meal payments, making it easy to oversee a child's meal choices and maintain their account balance. **It is important that an account is created for every student, regardless of whether they take part in school meals or not.** You can access MySchoolBucks to view and/or set up an account for your student(s) [here](#). To set up an account, you will need your child(ren)'s student identification number(s), which can be found in the [Parent Portal](#).

Regular School Attendance is Critical for Student Success and Well-Being

As we begin the 2024-25 school year, CBSD wishes to remind families of important information regarding attendance. Pennsylvania's school laws, like Act 138 of 2016 and the updated Act 16, outline what is required for mandatory school attendance and procedures to follow when students are absent or late.
