CENTRAL BUCKS SCHOOL DISTRICT NOTICE TO VENDORS

Central Bucks School District, Operations Department, at 320 West Swamp Road, Doylestown, PA 18901, is accepting proposals for a properly licensed and insured company to safely remove approximately 10,000 gallons of unused #2 fuel oil. Oil is in a PA registered UST that is properly maintained. A recent tank tightness testing report is available upon request.

Removal of approx. 10,000 gallons of unused #2 fuel oil only at HOLICONG MIDDLE SCHOOL

Please supply a price for what you will pay Central Bucks School District per gallon including extraction, transportation, and disposal of fuel. **NOTE: THIS REQUEST FOR PORPOSAL CAN BE SUBMITTED ONLY BY EMAIL.** *Contact Michael Clayton-District Environmental Coordinator at Central Bucks School District for submitting a Quote and or questions. Please submit to mclayton@cbsd.org Deadline is 12:00 noon, Wednesday March 12, 2025.*

Location of fuel is in an easily accessible rear parking lot of Holicong Middle School. 2900 Holicong Rd Doylestown, PA 18902.

All companies will be liable for any environmental clean-up and damages occurred to school property.
