

Welcome to Third Grade!!

Hello to you, my **3JET** Third Grader!!

My name is Mrs. Jethon, and I am so **happy** to be your third-grade teacher!! I cannot wait to begin learning and growing with you!! We will be learning about so many interesting topics in science, social studies, reading, math and writing!

So far, I have spent my summer spending time with my family and friends, going to the beach, gardening, hiking, and reading lots of awesome books! I am looking forward to hearing all about your summer adventures!

Just in case you are wondering, let me share a little about myself! I love dogs (especially my dog, Louie), beautiful flowers, hummingbirds, the full moon, Penn State football, and spending time near the ocean!

When you come back to school, please bring a brown bag filled with 3 to 5 small items that help describe you. Some possibilities are pictures, souvenirs, or other special objects.

Later this month I will be busy preparing our classroom, **Room 11!!**
I will see you in our happy place on our first day of school, Tuesday, September 2nd!
Enjoy your last few weeks of summer!

Love, Mrs. Jethon

To my wonderful parents:

Welcome!

I am looking forward to partnering with you to make your child's third grade year a success!!

Please allow me to share a little about myself:

I have had the pleasure of teaching third grade, fourth grade and first grade in Central Bucks. I have also worked as an Instructional Assistant, and Language Facilitator for the Deaf for both the Central Bucks School District and the Bucks County Intermediate Unit. In total, I have worked as an educator in various roles for more than fifteen years. I am certified to teach Pre-K through Fourth Grades, and English Language Development.

My family resides in the Central Bucks School District. My husband and I have two children who are successful CB graduates and Warwick alumni!! I have experienced partnering with the educators of Central Bucks as a parent and served in several different roles as a parent volunteer. I am thrilled to have the privilege to teach the students of Warwick Elementary!

I look forward to meeting you at Back-to-School Night on Wednesday, September 3rd!
Enjoy your last few weeks of summer!

Sincerely, Mrs. Lisa Jethon
