

Welcome to **FIRST GRADE**

Dear First Grade Families,

My name is Julia Dallas (previously Fagan), and I am very excited to introduce myself to you as your child's 1st grade teacher for the 2025-26 school year. I hope you are all having a wonderful summer and enjoying the last few weeks with your kids before we head back to school. I am looking forward to getting to know each of your children and hearing all about their summer adventures. Before we have the chance to meet in person, I will tell you a little about myself. I am a Central Bucks alumnus. I attended Pine Run, Tohickon, and CB West. I went on to attend Penn State University and received my degree in Early Childhood Education. After graduating, I knew I wanted to return to Central Bucks as a teacher, and I could not be happier to be teaching first grade at Butler! This will be my 3rd year in this role, and I truly believe that Butler is the BEST!

Outside of school, I enjoy spending time with my family and friends, traveling, trying new restaurants or recipes, and reading a good book. This summer was busy! I got married in December, so I finally took my honeymoon trip. My husband and I visited Italy in June. It was fantastic! I also got to spend time at our favorite shore point, Stone Harbor.

First grade is going to be a wonderful year for each of your children. During the first few weeks of school, we will establish our classroom expectations and routines, build a class community, and dive into our

curriculum. I am committed to providing your child with a safe and positive learning environment. Working together will be the key to a successful year, so my door is always open. Please don't hesitate to reach out to jfagan@cbsd.org with questions or to share information about your child.

Sincerely,

Mrs. Julia Dallas
