About Me

I have been teaching at Doyle Elementary since 1998. I have taught 2nd, 3rd, 5th, and 6th grade. I taught 3rd grade earlier in my career and began teaching 3rd grade again in 2019. I have two children, Delaney and Riley, and I am married to my wonderful husband, Jason. You will hear more about them during the school year. I can't wait to meet you and learn about you. I hope you come back to school ready to jump right into third grade. We have many wonderful things planned, and we're going to have a great year together. I can't wait for it to begin.

Education

I graduated from West Chester University with Bachelors of Science in Elementary Education. I then attended St. Joseph's University and earned my Masters Degree in Instructional Technology.

Childhood

I grew up in Warminster, PA. Warminster is about 25 minutes south of Doylestown. I attended St. Joseph/St. Robert School in Warrington through 8th grade and then went to Archbishop Wood High School. I have three brothers and played softball, basketball, track, and soccer. Soccer by far was my favorite sport to play.

Reminders

Our first day of school is September 2nd. Please remember to bring all of the supplies included on the 3rd grade supply list. The supply list can be found on the 3rd grade website. I hope you come back ready to jump right into 3rd grade.
