- 2. After the install, **search** for Screencast-O-Matic in your programs list and **open** the application. Sometimes you are prompted to pick a version. If so, select **Use Free Version**.
- 3. A dotted window will appear. Place the dotted line around the video that you would like to record. After you hit record, a Done button will appear. Select this button when you are finished.

Note: This will record without sound which is perfect for a 6th Grade Assessment. If you need sound, please ask your teacher to watch the tutorial on how to record sound on the Assessment Resource Page.
