Get Involved!

We can only offer a wide variety of activities each year because of our awesome volunteers, and we would love to have you! There are so many ways to be involved!!

ATTEND

Attending our events is a great way to support the PTO. We are grateful for the community we have here at Buckingham and appreciate your attendance and involvement in our programs. We are always open to your suggestions and feedback as every year gives us a fresh start with new students, families, and interests. Feel free to contact us at anytime and we can discuss your ideas at our next PTO meeting.

PARENT VOLUNTEER

Most of our events require a team of volunteers for it to run smoothly. Your Homeroom Coordinator (HRC) will routinely email you links to our sign up genius page where you can volunteer at one of our many events!

EVENT CHAIRPERSON

Our team is ever changing with graduating students, new families, and new programs. With that, we are always recruiting and accepting new chairpersons to help organize PTO events. Please contact us if you're interested in being part of one of our teams! Some current openings include: Fun Fest, Sports Night Out, Fundraising Events and more.

HOMEROOM COORDINATOR

Every classroom requires an HRC to help coordinate classroom parties and organize unique classroom events. You will also act as a liaison between your classroom and the PTO when it comes to event planning and communication. This is a one year commitment with your child's teacher and is a great way to stay involved with the school and your child. Please contact Johanna Kane at johannapkane@gmail.com if you are interested for the 2023-24 school year.
